

*No. 1
Browse Designs*

Search through the collections designs, shown as main invitations, and select your favorite. Focus on the overall design that fits your wedding and personal style.

Complete our contact form for your order and we will be in touch within 24-48 hours.

*No. 2
Personalization*

We will send you a form to gather the information needed (names, dates, details) + any requested adjustments (changing fonts, colors, etc.).

Once completed, you will be sent a digital proof to ensure all is correct.

*No. 3
Review Proofs*

Take a close look at the digital proof to ensure all is correct: spelling, dates, information, colors and design requests.

Once reviewed and approved, your stationery will move into production and we will update you on its status.

*No. 4
Production*

Sit back and relax as your items are now in print and production!

Once completed, they are sent to us for a thorough white glove quality check of each piece + to ensure all addresses or names are accounted for and cross-checked with your guest list.

*No. 5
Finished!*

Everything is carefully packaged and prepared to be shipped to you. We do use recycled materials for our packaging, as we want to be as conscious as we can for our environment!

Shipping options will be offered: choose your delivery speed then they'll be on their way!
